ERGOTRON®

Elevate Adjusta, Electric Sit-Stand Desk

Highlights

- Work sitting or standing so you're comfortable and productive all day long with Elevate Adjusta, electric powered sit-stand desk.
- Push the button to set the height of the back monitor surface electrically, then squeeze the paddle to fine-tune the front keyboard surface.
- Strong electric legs lift 150 lbs (68 kg) of distributed weight.
- Available in two widths: 48" and 60" (122 and 152 cm) to fit your equipment and your space.
- Sophisticated laminate finishes come in 3 choices:

Black

Maple

Wenge

- Metal surfaces are Silver Satin:

Silver Satin

Elevate Adjusta, an electric sit-stand desk with spring-assisted front keyboard surface, joins Ergotron's line-up of adjustable-height tables that move from sitting to standing height

Available in a range of finishes and sizes, Elevate Adjusta keeps you moving throughout the day so you're energized and productive.

Adjust the monitor worksurface 28" - 47" high (71 cm - 119 cm) with the simple push of a button.

Squeeze the paddle on the keyboard surface to dial in a comfortable height. Range is 22.25" - 54" (56.5 - 137.2 cm).

Tilt the keyboard surface to the perfect angle for your wrists: 9° forward, for positive tilt, and 15° back, for negative tilt.

The 6.5" h (16.5 cm) cable tray is deep enough to hold all your power bricks and cord bundles, plus an optional power strip.

Work comfortably, sitting or standing with the dual-surface Elevate Adjusta.

Strong electric legs lift 150 lbs. (68 kg) of distributed weight easily and quietly and move all your equipment up and down with the desk. Front keyboard surface supports 40 lbs. (18.14 kg) of distributed weight.

"Tilt-and-go" wheels at the back of each foot make it easy to move the table when you need to rearrange your space or access the back of your equipment. Just raise the keyboard surface all the way up, lift the front of the table, and roll it into place.

Contoured laminate worksurface with smooth edges is comfortable against your arms when typing. Tilt the keyboard surface to the perfect angle for your wrists.

The open architecture frees up space for a treadmill and other equipment.

	Elevate Adjusta 48, Electric Sit-Stand Desk 48" (122 cm) wide	Elevate Adjusta 60, Electric Sit-Stand Desk 60" (152 cm) wide
Part Numbers	MVJB48SSBK (in Black) MVJB48SS-MP (in Maple) MVJB48SS-WE (in Wenge) US/CA/MX	MVJB60SSBK (in Black) MVJB60SS-MP (in Maple) MVJB60SS-WE (in Wenge) US/CA/MX
Product Includes	Comes with back monitor surface, front keyboard surface, mechanism and paddle for manual keyboard shelf height adjustment, cable tray, control box and keypad for electric height adjustment, two electric lift legs and two feet with tilt-and-go back wheels.	
Product Dimensions		
Sit/Stand Height Range		
Materials and Finishes	Tops are 1" (2.54 cm) thick medium-density fiberboard wrapped in highly durable thermoplastic laminate that resists cracking and chipping and stands up to a wide range of chemicals. Metal components are 12 gauge steel with baked-on powder coat finish.
